Interpretation: - According to the overall Alumni' feedback the curriculum or the content of the course is pretty helpful for the students to gain better knowledge and skills. It also reveals that the curriculum contents still need to be updated to reach the global standards. IQAC has to take more initiatives in the delivery of curriculum to generate employability and ensure the courses keeping the demand of the society.

Suggestions:

- IQAC should take an initiative to convince the university to include relevant content in the syllabus which helps the students to be updated.
- IQAC should bring the attention of the academic council to the current semester system which is lacking enough time to meet the goals and hence request the authorities to take necessary actions.
